

# 2018 Admission Prospectus for Foreign Students Scholarship to Yunnan Forestry Technological College

- ★National public full-time comprehensive general higher college
- Yunnan provincial demonstrative higher vocational college
- First prize in employment of college graduates in Yunnan for 11 consecutive years
- Garden unit in Kunming

## I. College Profile

Yunnan Forestry Technological College (YFTC) is located in Kunming—the capital of Yunnan Province, P.R.China. Kunming is the national famous historical and cultural city, the important tourism and trade city in China. With pleasant climate, neither hot in summer nor cold in winter, which is rare globally, Kunming is renowned as Spring City.

It is a national public full-time comprehensive general higher vocational and technological college, founded in 1955, located at the national scenic spot of Golden Temple, with campus area 728.6 mu (mu: a unit of area=0.0667 hectares). It passed the “Higher Vocational Talent Cultivation Level Evaluation of Ministry of Education” in 2008, the “Characteristic Evaluation of Higher Vocational Colleges of Yunnan Province” in 2015, and became one of the 12 construction

units for high quality higher vocational colleges in the province in 2017. It has 6 second-level colleges: School of Ecological and Environmental Engineering, School of Industry and Engineering, School of Landscape Architecture, School of Economy Management, School of Information Engineering, School of Eco-tourism and Culture. There are 37 majors, enrolling students from 20 provinces (regions and cities) in China, present staff 580, teaching and managing more than 10,000 students. In 62 years of school running, it has educated over 35000 technical talents. The employment rates are all above 96% from 2007 to 2017.

Yunnan is the radiation center of China facing South Asia and Southeast Asia. To help the neighboring countries cultivate skilled talents, Yunnan Forestry Technological College sets up "Foreign Student Scholarship" to support excellent students to study in our school.

## **II. Admission Categories**

Six majors of Yunnan Forestry Technological College are open to foreign students, which are Forestry Technology, Construction Engineering Technology, Gardening Technology, Marketing, Computer Application Technology, and Hotel Management, taught in Chinese and English. The students without Chinese basis when being enrolled as junior college students will be offered a one-year remediation of Chinese course. The students with HSK certificate (above Band Three) can enter directly into professional learning. After graduation of 3-year junior college education, the junior college diploma of higher education recognized by the Ministry of Education of People's Republic of China will be granted. And the graduates who are willing to continue their studies can be recommended to cooperative undergraduate colleges and universities to pursue bachelor's and master's degrees.

## **III. Admission Requirements**

The applicant must be a non-Chinese citizen with a valid foreign passport, over the age of 18, having senior high school (or equivalent) diploma, healthy, no criminal record, willing to abide by Chinese laws and the school regulations.
